Also, Yoshiyuki Jojima and Yoichi Yamagishi have been appointed as new Audit & Supervisory Board Member.

“We are excited to welcome new members and has been organized Audit & Supervisory Board to strengthen our corporate governance” said Yusuke Tominari, Ph.D., Co-Founder & CEO of FIMECS “We look forward to working with new members to accelerate the research in the targeted protein degradation field, and will contribute to deliver life-saving medicines to patients around the world.”

About FIMECS, Inc.

FIMECS, Inc. is developing a new class of drugs based on targeted protein degradation for the currently ‘undruggable’ targets in immuno-oncology and oncology areas. The company became able to discover drug candidates for inducing the degradation of disease-relevant targeted proteins by integrating proprietary E3 ligase binders and RaPPIDS™ platform. This drug discovery platform will help providing drugs to the patients all over the world through various internal and collaboration projects. <https://www.fimecs.com/eng/>
